openspace.ae

OPEN SPACE is a leading portal of art and culture in the UAE, including daily art news, interviews with prominent artists and architects, and articles on the architecture and art of the UAE.

Speaking of the UAE, we are talking about the incredible identity of this country, its respect for its culture and the remarkable openness of the UAE to all cultures of the world, allowing the UAE to become a world cultural centre. We see it as our -- goal to promote the culture, arts and sciences of the UAE both around the world and in the Gulf region.

OUR MISSION

“We are creating new opportunities for cultural communication between people and countries”
- the Open Space team

Inspired by the UAE Government’s goals and programs on sustainable development in the field of culture as well as the Public Art Strategy, we see it as our goal to highlight and promote the cultural development of this region.

WORK PROCESS

we prepare questions for an art dialogue based on your materials and wishes

we prepare an article or review based on your materials, photographs of works and with attention to your wishes

all materials and images are approved before publication. Every publication is posted on the portal for at least 3 years

please note that we have great respect for all our readers and the region in which we are happy to work. We do not publish photographs and works of art depicting people or fauna.

if your art works are figurative, we will find good angles or fragments that will reflect your creativity and not contradict the rules of our portal
